Grimes Joins Meridian Design Build

Paul Chuma, President and Howard Green, Executive Vice President recently announced that Joe Grimes has joined Meridian Design Build as Vice President.

“We are pleased to welcome Joe to the Meridian Design Build team,” said Howard Green, Executive Vice President, “we have a number of opportunities on the horizon and look forward to leveraging Joe’s expertise and construction capabilities to assist us in pursuing and delivering future projects.”

Grimes worked in the construction department at Opus North Corporation in Rosemont for almost 19 years, and has extensive experience managing design-build projects from the due diligence and proposal stage through to facility turnover. While at Opus, Joe coordinated a number of large industrial, retail, and redevelopment projects. He worked for 3+ years at ProLogis in the capacity of Vice President – Project Management and most recently coordinated design efforts on a large civil defense project in Doha, Qatar. Joe, a LEED Accredited Professional, graduated from Marquette University with a Bachelor of Science degree in Civil Engineering in 1989.

Meridian Design Build offers full-service design/build and general contracting services to the industrial, office and commercial markets and is a Member of the U.S. Green Building Council. More information on Meridian Design Build can be found at www.meridiandb.com.
