New Hire at Meridian Design Build

Paul Chuma, President and Howard Green, Executive Vice President recently announced that Heather Elizabeth Thornton has joined Meridian Design Build in the position of Marketing Coordinator.

Ms. Thornton is a 2003 graduate of The Ohio State University where she received her Bachelor of Science degree in Architecture. Following that, she pursued additional coursework in the areas of business and marketing while working as an Intermediate Architect at Van Tilburg, Banvard, and Soderbergh, AIA in Los Angeles. Having recently earned her LEED AP credential, she is now in the process of finishing her final exams to become a licensed Architect in the state of Illinois. In her free time she enjoys staying active with the Chicago chapters of AIA, USGBC, and CWA, and volunteers for the Chicago Area Running Association as a pace mentor.

"We're excited to have Heather join the Meridian Design Build team and look forward to leveraging her unique background and capabilities to assist us in pursuing new projects and client relationships" said Paul Chuma, President of the firm.

Meridian Design Build offers full-service design/build and general contracting services to the industrial, office and commercial markets and is a Member of the U.S. Green Building Council. More information on Meridian Design Build can be found at www.meridiandb.com.
