MERIDIAN TO COMPLETE ORTHOPEDIC FACILITY

Elk Grove Village, Ill. — Meridian Design Build was selected to complete the renovation of a 14,626-square-foot facility for Barrington Orthopedic Specialists, located at 120 E. Higgins Rd. in Elk Grove Village. Construction is currently underway on the project, which includes the full renovation of an existing, single-story office building to accommodate new exam rooms, cast rooms, imaging areas and a physical therapy gym. Project manager Bob Kolcz and Fred Jennings, general superintendent, are coordinating the project for Meridian.
