## **New Appointment at Meridian Design Build**

Paul Chuma, President and Howard Green, Executive Vice President are pleased to announce that Ben Runkel has joined Meridian Design Build as Associate Project Manager.

Ben is a 2002 graduate from the Milwaukee School of Engineering, located in Milwaukee, WI, where he received a Bachelor of Science in Construction Management. Prior to joining Meridian Design Build, Ben was a Senior Construction Engineer with F.H. Paschen, based in Chicago, IL.

As Associate Project Manager, Ben will be assisting in the management and construction of Internationale Centre 15, a new 349,000 square foot speculative distribution facility being developed by Prologis at their Internationale Centre development in Woodridge, IL.

Meridian Design Build offers full-service design/build and general contracting services to the manufacturing, distribution, office and commercial markets. Meridian offers a full range of construction services, including all phases of construction planning and management, from conceptual design and budgeting, through project completion. More information on Meridian Design Build can be found at [www.meridiandb.com](http://www.meridiandb.com).
