## **New Appointment at Meridian Design Build**

Paul Chuma, President and Howard Green, Executive Vice President are pleased to announce that Adam Goldberg has joined Meridian Design Build as Project Engineer.

Adam is a 2002 graduate from the University of Michigan, located in Ann Arbor, MI, where he received a Bachelor of Science in Civil Engineering, concentrating on Construction Management. Prior to joining Meridian Design Build, Adam was with Sargent and Lundy, based in Chicago, IL.

As Project Engineer, Adam will be assisting in the project management of two new industrial facilities totaling 73,000 square feet and park infrastructure improvements at Paragon Business Center, a new development located in Romeoville, IL for First American Properties LLC.

Meridian Design Build offers full-service design/build and general contracting services to the manufacturing, distribution, office and commercial markets. Meridian offers a full range of construction services, including all phases of construction planning and management, from conceptual design and budgeting, through project completion. More information on Meridian Design Build can be found at [www.meridiandb.com](http://www.meridiandb.com).
