New Appointment at Meridian Design Build

Paul Chuma, President and Howard Green, Executive Vice President are pleased to announce that Joseph Blanchard has joined Meridian Design Build as a Project Engineer.

Joe is a recent graduate from the University of Wisconsin – Stout, located in Menomonie, Wisconsin, where he received a Bachelor of Science in Construction Management. Prior to joining Meridian Design Build, Joe was with Vanguard Construction, based in St. Paul, Minnesota. As Project Engineer, he will be assisting in the project management of the 260,000 sf Building #6 at LogistiCenter at Sauk Village® in Sauk Village, IL. This speculative industrial facility is currently under construction for DP Partners.

Meridian Design Build offers full-service design/build and general contracting services to the manufacturing, distribution, office and commercial markets. Meridian offers a full range of construction services, including all phases of construction planning and management, from conceptual design and budgeting, through project completion. More information on Meridian Design Build can be found at www.meridiandb.com.
