

Meridian Design Build

Selected for Bluff Point III

Deerfield, IL – Meridian Design Build has been selected by Land and Lakes Development Co. to serve as design-build general contractor for the Bluff Point III Distribution Facility to be constructed in Romeoville. Construction is slated to begin spring 2008 with a fourth quarter 2008 project completion. The 506,800 square foot industrial facility will be the third building developed by Land and Lakes within their Bluff Point Business Park development located at the southeast corner of Joliet and Bluff roads. The design team for the project includes Harris Architects Inc. and Jacob and Hefner Associates P.C. Peter Stadler, vice president and Ryan Brandush, project engineer, will be handling the project for Meridian Design Build. Jeff Kapcheck and Lynn Reich of Colliers Bennett & Kahnweiler are representing Land and Lakes.
