

LogistiCenter® at Sauk Village Adds Building

Chicago - DP Partners has broken ground on its second building at its LogistiCenter® at Sauk Village. This building is a 258,950 square foot industrial facility on 16.17 acres at 21700 Mark Collins Dr. in the village of Sauk Village. The company also completed a 364,000 square foot expansion to the south end of the park's first building, increasing the total size to 776,615 square feet. DP Partners' Midwest region development team is: Dennis L. Shaw, director of development; Terrence "T.J." O'Brien, construction manager; Harris Architects, Inc.; Meridian Design Build, LLC, construction manager; and Jacob and Hefner Associates, civil engineer.
