Richelieu Foods occupies this 115,000-square-foot food manufacturing facility in Wheeling, approximately 30 miles northwest of Chicago.

WHEELING, ILL. — Meridian Design Build has completed the renovation of an 115,000-square-foot food manufacturing facility in Wheeling, approximately 30 miles northwest of Chicago. Richelieu Foods occupies the building, which features nine refrigerated loading docks, a 20,500-square-foot refrigerated warehouse, 33,500 square feet of production space and a 3,250-square-foot freezer. The building, located at 120 W. Palatine Road, is Richelieu's fifth operating plant.
