DuPont's tenant improvement complete

ROCHELLE, Illinois | Meridian Design Build has completed the interior buildout for a new 364,800 square foot warehouse facility for Del Monte Corp. at the LogistiCenter at Rochelle, developed by Reno-based DP Partners.

The tenant improvement work included 1,000 square feet of office space, 10 truck docks and a new fire protection system. The LogistiCenter sits at the intersection of I-88 and I-39 and is served by two rail lines: Union Pacific Railroad and Burlington Northern Santa Fe Railway.

James B. Planey, Denise J. Dalicandro and Jeffrey J. Janda with Lee & Associates represented the landlord as leasing agents.
