WOODRIDGE, ILL. — Meridian Design Build has broken ground on a 124,575-square-foot speculative industrial facility in Woodridge, a southwest suburb of Chicago. The property is located at 2379 Davey Road near I-55 and I-355. Molto Properties is the developer. The building will feature a clear height of 32 feet, 18 loadable docks, four drive-in doors and 143 car parking spaces. Completion is slated for this October. Jim Estus of Colliers International is marketing the space for lease. Harris Architects is the project architect and Kimley-Horn is the civil engineer.
