MERIDIAN COMPLETES RENOVATION FOR KERRY INGREDIENTS & FLAVOURS

CAROL STREAM, ILL. — Meridian Design Build has completed the renovation of a 237,855-square-foot industrial building in Carol Stream to accommodate a new regional distribution center for Kerry Ingredients & Flavours. The project included the renovation of existing office and

employee facilities and lighting upgrades. Kerry Ingredients is occupying the facility under a long-term lease with STRS Ohio. Ken Franzese, John Cassidy and Walter Murphy of Lee & Associates Commercial Real Estate Services represented the landlord in the transaction. Trevor Ragsdale of Jones Lang LaSalle represented the tenant. Bob Kolcz and Greg Suthers coordinated the project for Meridian. Harris Architects provided architectural services. The building is located at 284 Lies Road.
