

AUTO TRUCK BUILD-TO-SUIT NOMINATED FOR TWO AWARDS

NAIOP Chicago recently announced the Auto Truck Group build-to-suit as a nominee in two categories for their 22nd Annual Awards for Excellence. The 103,600 SF Auto Truck Group facility, completed in April of this year, has been nominated for Industrial Build-to-Suit of the Year and Broker Transaction of the Year - Industrial.

The project was developed by Abbott Land and Investment Corporation and constructed by Meridian Design Build. The design team included Ware Malcomb (architect), Jacob and Hefner Associates P.C. (civil engineer), and Gary R. Weber Associates (landscape architect). Brian Carroll, CCIM and Matt Mulvihill of Grubb & Ellis represented Auto Truck Group in their move to Bartlett's Brewster Creek Business Park, from Bensenville.

The NAIOP Awards for Excellence is recognized as one of the premier annual awards programs in the Chicago area, highlighting outstanding achievement in industrial and office real estate. The invited keynote speaker for the upcoming November 9th awards dinner is State of Illinois Governor Pat Quinn.
