

Meet the Press

Yesterday, The Association of Industrial Real Estate Brokers also held its monthly luncheon at the Rosewood (no, we didn't just hang out there all day). Members of the organization had the opportunity to meet panelists from the local real estate press. We snapped Union National Bank's **Jay Deihns** and Meridian Design/Build's **Peter Stadler** and **Peter Schmidt**. Meridian just completed the buildout of two post offices in Chicago and Carol Stream.
