84,000-SQUARE-FOOT INDUSTRIAL EXPANSION UNDER WAY IN ILLINOIS

Melrose Park, Ill. — Kerry Ingredients & Flavours has selected Meridian Design Build to construct an 84,000-square-foot expansion to its existing 113,000-square-foot manufacturing facility in Melrose Park. Located at 3141 W. North Ave., the project will offer a total of approximately 197,000 square feet when complete in fourth quarter 2010. The redevelopment project includes the demolition of a two-story, 130,000-square-foot structure. Harris Architects is providing architectural and structural engineering services for the project. Jacob and Hefner Associates is serving as civil engineer.
