

MERIDIAN DESIGN BUILD SELECTED FOR INDUSTRIAL BUILD-TO-SUIT

Bartlett, Ill. — Meridian Design Build has been selected to serve as design/build general contractor for the construction of a 103,585-square-foot build-to-suit project for Auto Truck Group. The new facility will be situated on a 16.26-acre site within Brewster Creek Business Park in Bartlett, and will provide the company with office, showroom and manufacturing space. It will include 12,600 square feet of office space, as well as a 5,700-square-foot vehicle showroom. Meridian will also coordinate improvements within the shop space to accommodate welding stations, interior overhead cranes and paint booths. Auto Truck Group will relocate from its existing facility located on Ellis Avenue in Bensenville, Ill. Construction began in the spring, with completion in the fourth quarter. Ware Malcomb is serving as the project architect.
