INTERSTATE PARTNERS COMPLETES 547,668- SQUARE-FOOT FACILITY

Elgin, Ill. — Interstate Partners has completed a 547,668-square-foot build-to-suit facility located within Northwest Business Park at 2500 Galvin Dr. in Elgin for Colony, a display systems manufacturer. The new facility features 61 truck docks, five trash compactor position doors and six drive-in doors. Meridian Design/Build was the general contractor and Heitman Architects provided architectural services; Cowhey Gudmundson Leder was the civil engineer.
