

DP PARTNERS COMPLETES 258,950- SQUARE-FOOT SPEC INDUSTRIAL BUILDING

Sauk Village, Ill. — Reno, Nev.-based DP Partners has completed the construction of a 258,950-square-foot spec industrial building, which is located at 21701 Mark Collins Dr. within the LogistiCenter at Sauk Village in Sauk Village. Situated on a 16.17-acre site, the single-loaded warehouse/distribution building, which is divisible to 52,000 square feet, features 32-foot clear height ceilings, 50-foot by 50-foot bays, 24 truck docks, four drive-in doors, 32 trailer stalls, an ESFR fire-suppression system and parking for 185 cars. Palatine, Ill.-based Har-

ris Architects provided architectural services for the project; Oakbrook Terrace, Ill.-based Jacob & Hefner Associates served as civil engineer. Meridian Design Build served as general contractor.
