

MERIDIAN DESIGN BUILD COMPLETES 29,600- SQUARE-FOOT FACILITY

Elgin, Ill. — Deerfield, Ill.-based Meridian Design Build has completed construction of a 29,600-square-foot facility for Audio Visual Services Group in Elgin. Located within Northwest Business Park at 2530 Galvin Dr., the facility includes three loading docks, a drive-in door and accommodations for exterior trailer parking. Meridian Design Build also coordinated the installation of specialty electrical wiring for a wireless communication system. Palatine, Ill.-based Harris Architects Inc. provided architectural services. The Schaumburg, Ill., office of Interstate Partners manages Northwest Business Park.
