MERIDIAN COMPLETES MEDICAL OFFICE BUILD-OUT

Lockport, Ill. — Meridian Design Build has completed the build-out of a medical office property in Lockport for MedProperties Group. The fast-tracked project included the construction of 10 exam rooms, private restrooms, shared waiting/reception areas and lockable file storage. The build-out was completed within Lockport Crossings Medical Center, a three-story, 54,000-square-foot medical office building. Areté 3 Ltd. provided architectural services for the project.
