

MERIDIAN DESIGN BUILD

Deerfield, Ill. — Meridian Design Build has promoted **Peter Stadler** to senior vice president. Most recently, Stadler coordinated Meridian's efforts on a 500,000-square-foot speculative warehouse and distribution facility for Land and Lakes at Bluff Point Business Park and a two-phase, 120,000-square-foot expansion for a R&D facility for The Morey Corporation in Woodridge, Ill.
