

Construction starts for Giant Bicycle facility

ELGIN | **Interstate Partners** has begun construction on a 41,400 square foot tenant build-out for Giant Bicycle within the 342,700 square foot Northwest VIII building at 2416 Galvin Drive within NorthWest Corporate Park.

Occupancy is scheduled for fall 2006. Giant Bicycle manufactures bicycles.

John Sharpe with **Lee & Associates** represented Interstate Partners in the transaction and **Ronan Remandaban** worked on behalf of Giant Bicycle. Meridian Design Build LLC was the general contractor and **Harris Architects** the designer and structural engineer.
