Meridian Starts Construction on New Haven Area Truck Terminal

New Haven, CT, November 12th, 2019 – Meridian Design Build recently broke ground on a 74-door truck terminal for developer Scannell Properties. The new facility will be located on a 41.25 acre site at 161 Marsh Hill Road in Orange, CT.

The terminal building will include 5,858 SF of office space, 76 loading positions, and 1 drive-in door. An adjacent 9,680 SF maintenance facility will feature 4 fully equipped service bays and a truck wash bay. Site improvements will include 171 auto parking stalls, 131 trailer storage positions, 242 tractor/van stalls and a freestanding 3,277 SF fuel/lubrication island.

Architectural design services are being provided by Bill Thomas, Architect. Civil engineering design is being provided by Langan, Inc.

Meridian Design Build, a member of the U.S. Green Building Council, offers full-service general contracting and design/build services to the industrial, office, healthcare, retail, hospitality, and commercial markets. Meridian Design Build's National Projects group has successfully completed 23 projects in 12 states over the last 9 years. More information on Meridian Design Build can be found at www.meridiandb.com.
